TOWN OF LINCOLN

made by the

DIVISION OF MUNICIPAL ACCOUNTING

State Tax Commission

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

February 9, 1945.

Board of Selectmen,
Lincoln, New Hampshire,

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Lincoln for the fiscal year ended December 31, 1944, which was made by this Division in accordance with the vote of the Town. Schedules as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the audit and examination were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and the Municipal Court.

FINANCIAL STATEMENT

Balance Sheet: (Schedule A)

During the fiscal year ended December 31, 1944, the Net Surplus of the Town was reduced from \$22,821.72 to \$18,871.76, a decrease of \$3,949.96. During the same period the bonded indebtedness of the Town decreased by \$1,500.00. The decrease in Surplus in spite of a decrease in Bonded Debt, was chiefly due to two factors. These were:

(1) Reduction of assets occasioned by use of Cash Surplus of \$2,000.00 as estimated revenue in the 1944 budget and tax rate calculation.

(2) Net Budget deficit for the year of \$3,267.89.

Revenues, Appropriations and Expenditures

(Schedules D and E)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1944, are included in Schedules D and E. As indicated by the budget summary in Schedule E, a net overdraft of appropriations of \$4,282.34, and a net excess of actual over estimated revenues of \$1,014.45, resulted in a net budget deficit for the year of \$3,267.89.

Indebtedness, Valuation and Taxes

(Schedules B and C)

Comparative statements showing the Indebtedness, Valuation and Taxes Assessed during the ten-year period ending December 31, 1944, are presented in Schedules B and C.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt or disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

CONCLUSION

The accounts and records of all the officials which were examined were found to be in good condition and in accordance with the prescribed methods.

In accordance with the provisions of Section 31, Chapter 211, of the Laws of 1939, this report or a summary of its essential features should be published in the next annual town report.

We extend our thanks to the officials of the Town for the assistance rendered and information furnished while engaged in making this audit.

Yours very truly,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting,
State Tax Commission.

Lawton B. Chandler, Auditor.

Harry B. Hager, Accountant.

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.

2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.

3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.

4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.

5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.
